Subject: Revised Lower Ley Creek Proposal?

Frank, During our call on May 7, you had said that the Town of Salina Board had asked you to revise the Town's earlier proposal to EPA regarding local disposal of sediment and soils from the Lower Ley Creek site at the Town of Salina Landfill. Can you tell me when you expect to send it to us? Will it be before this afternoon's call?

Thank you, Pam

Pamela Tames, P.E.
